

Planning Support Team

June 30, 2008

Summary Notes

Attendees: Chris, Marylou, Laura, Rita, Patricia, Alan, Dave, Don, Cindy, Amy, Lee Ann

- Only one correction was made to the June 9 notes; Mary Lou Gelfer's name was corrected. Minutes were accepted.
- The minutes from the May listening sessions will be disseminated to all units once they are received; Patricia has received the majority of revised minutes from the April academic unit sessions. Amy is posting to the MP website.
- Chris discussed the ad-hoc listening session on the topic of sustainability. Attendees were Kate Nelson, Coordinator for Sustainability, Jim Wasley, SARUP, Lora Strigens, HGA, Greg Havens, by phone from Sasaki, Chris and Patricia. Outcomes of the meeting in brief are: possibility including a guiding principle regarding sustainability and involving the neighbors in strategic discussions regarding UWM sustainability strategies. There are many other opportunities for partnerships with businesses, transportation planners, etc. Kate Nelson will try to convene the student-faculty group addressing sustainability.
- Subcommittee reports will be posted to the MP website.
- Summary reports for the major questions on the academic planning questionnaire have been prepared by Linda Anderson Courtney, Academic Affairs, in consultation with Patricia and Laura. See website:
http://www4.uwm.edu/master_plan/academic_planning.cfm
- Rita will be communicating with academic deans regarding the academic data and its use with the master planning process. She will request feedback to the various summaries for their respective school/colleges.
- Chris reported on the on-going data gathering process.
- Amy reported on website updates and the on-going communications received regarding the MP.
- Upcoming PST meetings: July 14, 28, August 11, 25, and Sept 8.

- Fall schedule: Upcoming meetings with consultants: August 13, September 16, October 14-15 and December 10-11. Communication regarding these dates is being sent to the Coordinating and Steering Committees.
- Role of the subcommittees: for now the work has been concluded. The three chairs will continue to serve on the Coordinating Committee.
- Chris and Patricia continue to meet with the consultants to keep all tasks on track.
