

Planning Support Team

April 21, 2008

Summary Notes

- Summary notes from March 24 were accepted with minor edits. These will be posted on the website. Notes from April 7 were also approved.
- Minutes from the April 4 meeting with the Steering and Coordinating Committees were also reviewed and edits suggested. Final approval comes these committees.
- Website: It was agreed that Amy would share feedback that comes through the website weekly, on Fridays. Any design changes will be made through UITS support.
- Student Forums: Ideas were offered about student groups to invite to the student listening session.
- A session for the PST and the consultants will take place on April 30.
- Subcommittee Updates
 - Lee Ann reported that Liberal Arts and the Professions are compiling a second round of data through five different spread sheets
 - Marylou indicated that Health Sciences is identifying themes for new collaborations; two four-hour meetings have been scheduled
 - Alan reported that Engineering and Basic Sciences is on hiatus but will try to use the spread sheets proposed by LA/Prof

Next meeting: Monday, May 5, 3-5 pm, Mitchell 140

Focus: work on the Guiding Principles with the assistance of HGA
